

“This is a fabulous wine for the money.”

Brassfield Estate 2011 Eruption

“True to its name, the 2011 Eruption bursts from the glass with expressive, racy fruit. This juicy value-priced red impresses for its overall balance and sheer deliciousness. Once again, it’s hard not to like the Eruption. Readers in search of by-the-case wine should give the 2011 a good look. This is a fabulous wine for the money.”
