

2020 ROSÉ of PINOT NOIR

SERENITY

BRIGHT | AROMATIC | BALANCED

Our wines reflect the distinctiveness and diversity of their sites – from the elevated valley floor of High Serenity Ranch to the unique intensity of Volcano Ridge Vineyard. Handcrafted by Brassfield's winemaking team, our focus on sustainable farming, classic techniques, and purity of flavor produce fruit-driven, balanced, and delicious wines.

VINEYARDS AND WINEMAKING

All of the fruit for this wine is grown on the floor of High Valley at 1,800 elevation. Diurnal temperature swings of more than forty degrees are common in the valley, enabling ripeness and the retention of acidity. We pick these Pinot Noir grapes exclusively for rosé, at lower sugar levels, which translates into brighter flavors and a balanced body. The grapes are pressed as soon as they arrive at the winery and then we cold settle the resulting juice before adding our proprietary yeast and cold fermenting to dryness. The wine then remains on the lees until it is gently fined and filtered before bottling.

TASTING NOTES

The 2020 Rose displays mouth-watering aromas of strawberry, grapefruit and soft notes of lemon zest. Well rounded flavor of citrus and apple. This Rose exhibits a soft and balanced mouth feel with medium acidity and a textured, creamy finish.
