

TED

Introducing the newest member of our family, inspired by Jerry Brassfield's father Ted. Jerry's father, Ted Brassfield always loved a quality affordable wine. TED Red was crafted in his honor -Jerry G. Brassfield

VINEYARDS

Lake County rises above its North Coast Brothers (Napa, Sonoma, & Mendocino) with its high Elevation vineyard sites. Lake County high Elevation vineyards create wine grapes which have thick skins, dark colors and develop great flavors.

TASTING NOTES

Ted Red is a no holds barred Red Blend. On the nose the warmth of soft oak gives way to sweet Bing Cherries, crushed Blackberries, and ripe fig. A final undertone of dried herb will then be dominated by brambly fruit and cherry cola. The wine has fine tannin that creates a long silky finish. Ted Red is a perfect wine to be enjoyed any day of the week.
