- High Valley AVA, in California's North Coast

2015 Serenity Reserve is Brassfield Estate's Newest Proprietary Blend.

- We use 100% certified Alsatian clones of Pinot Gris, Riesling, and Gewürztraminer all grown on our estate in the High Valley AVA in California's North Coast.
- Consulting winemaker David Ramey created this blend after recognizing the exceptional quality of our white Alsatian varietals.
- We ferment in small vessels made of concrete, oak, and stainless steel and age 'sur lie' to enhance the texture or mouthfeel of the wine.
- Aromas of poached pear, baked apples and hints of lemon-lime.
- Complex flavors of Anjou pears, baked apples, honeydew melon, and lime zest with a hint of minerality.
- Refreshing, crisp, and balanced with a long, clean, and supple finish.
